

Renvyle House Hotel

May, 2008

Hello,

With the days getting longer you can enjoy more of what Renvyle House has to offer this Summer.

It is the perfect place to escape to for a few days. Enjoy being looked after and avail of all the facilities on-site and in the locality.

It's also a lovely holiday for families with a lot to do and children are well catered for.

"Renvyle is not just a hotel,....it's a country" (past guest: Jack 4 and 3/4 years)

And don't just take our word for it:

Georgina Campbell recently awarded Renvyle the **"Best Irish Experience" Gold Award for its unique contribution to Irish hospitality.**

The Bridgestone Guide 2008: "100 Best Places to Stay in Ireland" say:

"Renvyle is magic - magically apart, magically unfussy, magically wonderful for families, magically wonderful for its stunning cooking, a magic chill-out zone" - John & Sally McKenna

We look forward to welcoming you and those you might send to Renvyle House in the future.

With our best wishes,
Renvyle House Hotel
